This two-story terraced family house from 2013 in a Functionalist architectural style with a garden and a garage is part of the Na Lhotách residential project located in a quiet location with a wide range of sports opportunities and close to all services, a metro station, and the Kunratický forest.

The ground floor offers a spacious living room with a kitchen and access to a terrace and garden, an entrance hall, a dressing room, and a guest toilet. Upstairs is the master bedroom with an **en-suite bathroom**, another 2 bedrooms with a shared bathroom, and a terrace.

Facilities include, for example, **wooden floors** (on the ground floor with heating convectors, radiators upstairs), **large-format windows** with window blinds, built-in wardrobes, or a complete kitchen with a cooking island. Parking is in the garage with direct access to the house; another 2 parking spaces are on the plot.

The location has excellent transport links. The Chodov metro station (line C) is within less than a 10-minute walk or 3 minutes by bus from the stop close to the house. All civic amenities, including a kindergarten and an elementary school, an elementary art school, the **EDUCAnet private high school**, and the University of Economics are in the vicinity. There is a polyclinic, a post office, and a large shopping center. In the residential area, there is also a children's playground, and a path to the large **Kunratice forest park**.

Useable area 195 m², built-up area 171 m², garden 89 m², land 260 m².
