Offices for lease in an energy-efficient building surrounded by greenery, in an attractive part of Karlín in Prague. The modern office concept offers flexible layouts with access to a terrace. A pleasant working environment is created by a glass façade that provides a generous supply of daylight, as well as by an above-ground clearance of 3.1 m and CO2 monitoring. Modern technologies were used to save approximately 40% of energy consumption compared to conventional office buildings.

Location:

A prominent riverside location in an emerging business district with good access to the D1 and D8 highways and to the city center.
