This new, fabulous three-story villa with an elevator in a contemporary architectural style with high-end finishes and made with premium materials inside and out boasts gorgeous views of the sea. It is enviably located in the center of Oeiras in the western part of Lisbon.

With a sleek and modern interior design throughout, it has a spacious living room with access to a large **bamboo deck** with a shower and a luxurious **infinity pool**, a bathroom, and a complete kitchen on its ground floor. The kitchen has access to an outside **covered lounge** with a barbecue. Upstairs, there are four bedroom suites, all with access to a common **balcony** with lovely views of the blue waters of the sea. The **main suite** has a handsome walk-in closet. In the basement, there is an **indoor pool** with heated water, a gym area, a **sauna**, and an innovative water surface that is integrated into an **interior garden** with a **waterfall**.

The villa's cutting-edge technology and equipment includes **radiant floor heating** in the bathrooms, a **central vacuum cleaner**, a heated towel rack, solar panels, and an electric gate.

Oeiras is an affluent municipality that is home to many restaurants, shops, and local businesses. Its coastline is where the Tagus River meets the sea. There is a lovely promenade along the beach, a marina, and several green parks.
