Semidetached 3-bedroom 2-bathroom modern villa in the new residential complex Botanica in the green Prague 5 neighborhood close to a forest, and the Prokopské and Dalejské Valleys with plenty of recreational opportunities. The villa offers living room with open plan, fully fitted kitchen and floor to ceiling windows leading to a covered terrace, pantry and laundry room. Upstairs are 3 bedrooms - master bedroom with en-suite shower bathroom and walk-in closet, and two bedrooms with built-in wardrobes (one also with a balcony), plus family bathroom. The lower ground floor holds a boiler room, storage room, and garage. Built-in wardrobes in the entry hall, security glass in doors and windows, central vacuum, outdoor electric blinds, alarm connected to security agency, Internet and satellite connections, quality built-in kitchen appliances. Within walking distance of buses and metro, Nové Butovice. Good connections to the Japanese and British international schools.
