This spacious apartment with high ceilings and a fireplace is located on the 4th floor of a renovated building with an inner courtyard from 1850, located right in the center of New Town, on a quiet romantic street near the National Theater and Žofín Island.

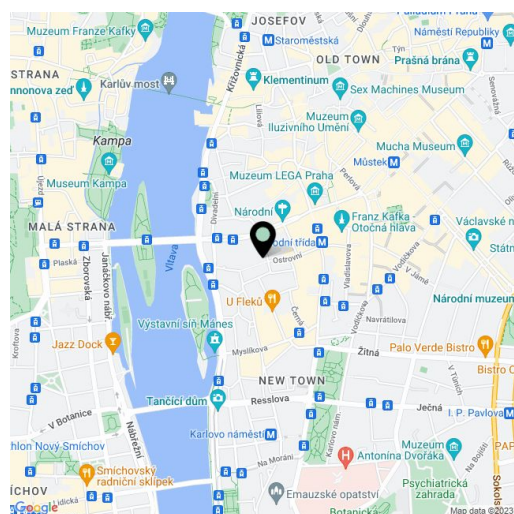

The layout consists of a **45-meter living room**, a bright separate kitchen, a bedroom, a generous entrance hall with **windows that open onto the balcony**, a bathroom, a guest toilet, and a large room that can be used as a dressing room/study or pantry.

Heating is by a new Buderus gas boiler. The building has an elevator; the unit comes with a cellar.

There is a kindergarten and elementary school right next to the building, and Václav Havel Square and the National Theater are literally at your fingertips. The location offers all the advantages of living in the city center—a selection of restaurants, cafes, shops, and cultural institutions, perfect access by metro and tram, but also green corners, for example, **Slovanský or Střelecký Island**.
