Industrial park offers industrial, warehouse, and office space for lease in Tachov, near the German border. Thanks to its location, the park is suitable for domestic as well as international commercial activities. The high standard premises are suitable as a logistics center or light manufacturing and can be adapted based on the client's requirements. Additional buildings are planned to be built in the complex (BTS solution).

### Location:

The park is located close to the D5 highway (10km), by exit 128 in the direction towards Germany and exit 136 in the direction from Germany, and offers very good connections to other industrial and commercial companies in Central Europe. Good accessibility by public transport – a bus stop and a train station are close to the park.
