**Membership in this business center will provide you with an elegant workspace and place for meetings. Located in the sensitively renovated premises of an exceptional historical building in the center of Prague, you will find everything you need for you and your guests.**

The business center allows you to choose either a fully equipped private office, your own desk, a monthly flexible coworking membership, or an annual club membership.

Private offices are an ideal space for teams because they can also use the shared areas of the center. Individuals will appreciate their own work space, the flexibility of the coworking area, or can use their club membership during occasional visits to the center of Prague.

For their educational program, the business center focuses on current topics and trends that affect our professional and personal lives. In our modern context and together with you, the business center tries to understand and influence what will happen in economics, business, science, technology, and politics.

The premises are located in a historic building from 1909, one of the first Modernist style building in Europe. The building was previously used as the printing and graphic studio of Jan Štenc. In 1995, it was completely refurbished and sensitively renovated.

### Location:

The premises are located in the center of Prague near Old Town Square, within walking distance of the **Staroměstská (line A)** metro station and tram stop, the **Můstek (line A and B)** metro station, or the Dlouhá třída tram stop. Letná is a 15-minute walk away and you can reach the **Náměstí republiky metro station (line B)**, where the Palladium and Kotva shopping malls are located, on foot within 10 minutes. The neighborhood is full of high-quality restaurants and cafes, shops, and cultural venues. It is possible to provide parking in the private blue zones of Prague 1.

### Shared office facilities and services:

- Reception with a professional concierge
- Making it the company's registered office
- Private cafe for members and their guests
- 5 types of meeting rooms
- Outdoor terraces for work and relaxation, hidden corners
- Educational, social, and networking events
- High-speed internet
- Printing and copying
- Ensuring mail and postal services
- Assistant and administrative services
