This industrial area offers industrial, storage and office space for lease. Two new buildings offers more than 38.000 sq.m of premises designed and constructed to the highest A class standard suitable for logistics, distribution warehousing and light production. No further construction is possible in the area, the whole is fenced with access through the central gatehouse. The complex has its own transformer station (3x 1.6 MW). Turnkey solution according to the client's requirements. The handover of the premises is possible within 9 months after the signing of the Contract.

### Location:

The site is located within the region of Ústí nad Labem, small city Podbořany, one hour driving distance to the capital city of the Czech Republic Prague and the German borders. The park is based only 15km from the road I/6 connecting Prague and Karlovy Vary. Great potential for skilled labour force within the Ústí nad Labem region. Current unemployment rate of nearly 8% belongs to the highest in the Czech Republic

### Features and Services:
