The almost 120-meter floor area of the apartment is divided into 3 rooms (2 facing the street, 1 towards the courtyard), a separate kitchen, a bathroom, a separate toilet, a large entrance hall, and a pantry. Next to the kitchen is an additional former maid's room (5 sq. m., see the floor plan).

The interior features preserved **original parquet floors**, doors, and casement windows, but the apartment is suitable for reconstruction. Heating is provided by its own gas boiler. The building is well maintained and has an **elevator** and a nice facade.

The **blind romantic alley** is located a few steps from the **Old Town Astronomical Clock**, within walking distance of the Charles Bridge or Wenceslas Square. In addition to a wide range of restaurants, cafes, and clubs, the area full of important monuments also offers a wealth of cultural activities. The place is easily accessible thanks to the nearby Můstek and Staroměstská metro stations.

Interior 119.2 m².
