This office space is located on the ground floor of a sensitively created residence in a historic building. The classy house is located on a quiet one-way street in the very center of the city, close to the Národní třída and Karlovo náměstí metro stations.

The non-residential space facing the street and the quiet courtyard consists of two larger offices and one smaller room, a walk-through kitchen, a bathroom, and a separate toilet.

Facilities include **wooden floors, casement wooden windows**, and original refurbished paneled cassette doors. Heating is with its own **gas boiler**. The office space comes with a cellar storage unit.

There are many restaurants and cafés in the immediate vicinity, and the **Quadrio** shopping arcade is close-by. The place is perfectly accessible, within a short walking distance is the Národní třída metro station and tram stop as well as the Myslíkova or Novoměstská radnice tram stops. The nearby **Slovanský or Střelecký islands** are perfect spots for nice walks among the greenery.

The photos are illustrative, the unit is rented until the end of May 2022.

Interior 88.9 m², cellar 1.71 m².
