Boasting top-class home equipment, this modern villa with sea views stands in a peaceful spot only 15 minutes by car from the historic city of Dubrovnik, which is a UNESCO World Heritage site and is located practically at the very tip of sunny southern Dalmatia.

The ground floor consists of an open space living room with a kitchen and dining area that opens onto the terrace with a heated outdoor pool. Upstairs, there are 3 bedrooms with their own bathrooms. A sauna, Jacuzzi, fitness room, and 2 separate toilets complete the interior.

The villa has floor-to-ceiling windows, ensuring enchanting views and plenty of daylight in every room. Only the most high-quality materials and products were used to create the interior.

Enjoy the beaches by the world-famous city of Dubrovnik and the city's many cozy cafes, restaurants, and historic sites, the most iconic of which are the massive walls and towers. The international airport is a 30-minute drive from the villa.

The property is owned by a limited liability company and is being sold as a share deal.
