This elegantly designed family house with a garage is part of the new Na Pramenech terraced development emerging on the border of Čakovice, Letňany, and Ďáblice. The house will be completed in summer 2022.

On the ground floor, there will be a living room with an open plan kitchen, a dining room, and access to a terrace **connected to the garden**, a closet, and a hallway with a toilet and access to the **garage**. Upstairs, accessible from the staircase from the living room there will be a master bedroom, 2 more bedrooms, a bathroom, a pantry, and a hallway.

Heating and hot water will be provided by a gas condensing boiler with a retention tank. Parking is **in the garage and on an outside parking space** on the property.

The Na Pramenech project provides excellent civic amenities consisting of 2 shopping centers and small shops, endless opportunities for sports, good connections with the city center, and plenty of spaces for leisure and relaxation. Within easy reach are kindergartens and elementary schools, a high school, an indoor and outdoor swimming pool, a bike path, skate park, or multifunctional sports center. The location is made more pleasant by the nearby green spaces of the **Ďáblice Grove** and **Letňany forest park**. In one of the next phases of construction, a kindergarten and a playground will be built directly in the complex.
