This industrial area offers industrial, storage and office space for lease in the northern part of the Czech Republic near the town of Zákupy. The park will offer a new modern class A industrial hall with more than 15,000 sq.m. for lease. The hall can be divided into smaller parts. The premises are suitable for logistics, distribution warehousing and light production. Construction will be carried out on a built-to-lease basis and according to tenant's requirements. Handover of the building is possible within 9 months after the signature of a Future Lease Agreement.

### Location:

The area is located in the municipality of Zákupy, near the industrial zone in Česká Lípa and in the near proximity of highway 9 and thus enables perfect connection to Germany and Poland. Bus stop within walking distance.

### Features and Services:

- Flexible units (storage / office / light production / showroom)
- Onsite property management
- Park maintenance
- 146 parking spaces

### Storage/Industrial space:

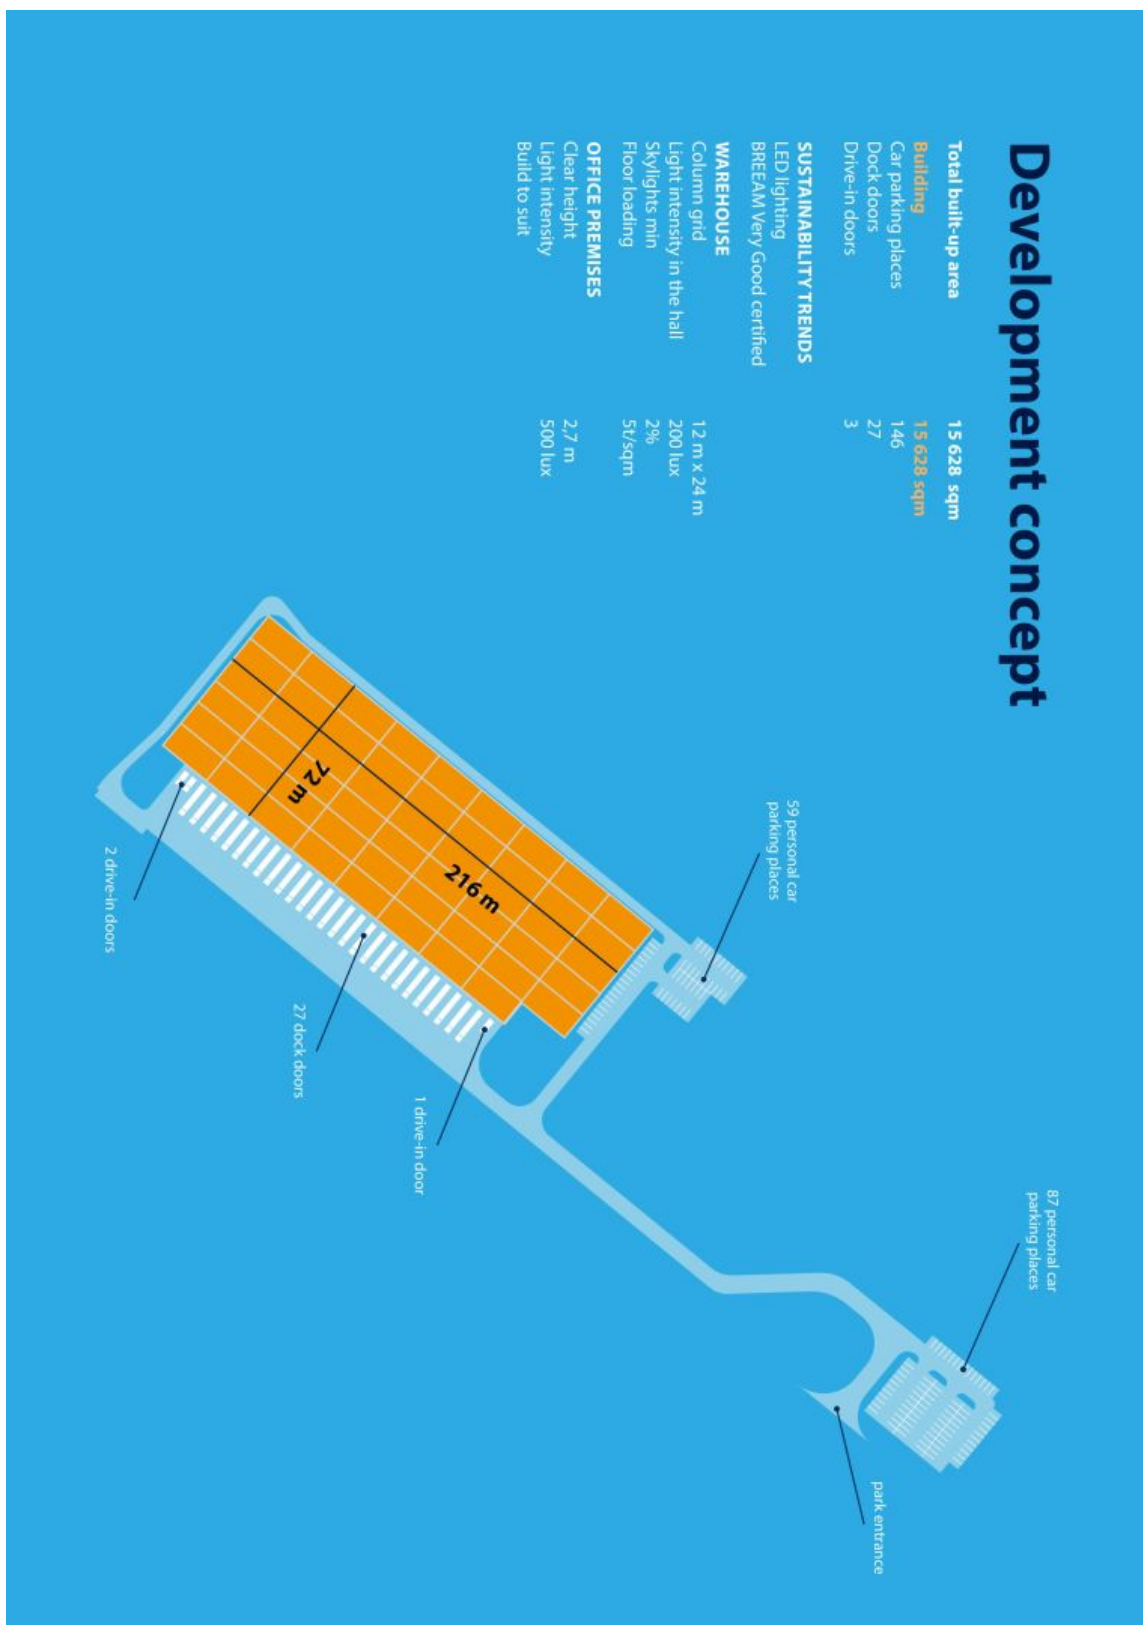

- Floor loading capacity 5 T/sq.m
- Clear height up to 12.4 m
- 27 x docks doors
- 3 x drive in doors
- Min. 2% of skylights in warehouse area
- Column grid structure 24x12 m
- 200 Lux LED lighting
- ESFR sprinkler system

### Office:

- Office space according to the client's requirements
- Air-conditioning

Lessee pays no commission.
