This new stylish 1-bedroom apartment with a gallery is on the 2nd floor of a residential palace built in the 19th century in a prestigious location near Lužánky Park by the important Austrian architect Josef Nebehosteny, co-author of the Mahen Theater. Due to the high demand for rental apartments in this location, the unit is suitable as an investment.

The **attic** apartment facing the courtyard, conceived as a loft, consists of an open room of about **37 meters with a gallery**, which provides enough space for a kitchen, living, and sleeping area, as well as a bathroom (with a shower, sink, and toilet), and a hallway.

The quality facilities include multi-layer **wooden floors**, hardwood oak moldings, Dakea skylights, fireproof doors, paneled interior doors, **underfloor heating** in the bathroom, large-format tiles by **Story of Stone**, a **Connet air sink** on an **oak wood counter**, a wall-mounted toilet with an AquaBlade system and SoftClose seat, a data socket, or an EPS sensor. District heating from a heating plant; hot water by a boiler. You can rent a **parking space** located behind the building. There is no elevator.

The building is located in an amazing and popular part of the Veverí district. There is a public transport stop right next to the building, and the city center is only 2 tram stops away. All of Brno's **university faculties** are within a short trolley ride. The building is located right by the entrance to the popular **Lužánky Park**, allowing relaxation amongst greenery and sports activities. The district, adjacent to the center of Brno, boasts many important architectural monuments and offers complete civic amenities. The world-famous **Villa Tugendhat** stands in the neighboring district of Černá Pole.

Total usable area 53 m² of which floor are 37.4 m², gallery 15.6 m².

Due to the current situation, the investor reserves the right to make minor adjustments to the standards.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
