This plot of land with a project for the construction of a family house is located in a beautiful and quiet place right next to the Radotínsko-Chuchelský Háj Nature Reserve, on a cul-de-sac lined with new family houses.

The slightly sloping plot is completely fenced, and the entrance is via an illuminated road made of interlocking paving. The offer includes **a building permit**.

According to the project, the ground floor of the house will have a large living space with a dining room, an open plan kitchen and **conservatory**, as well as a bedroom with an en-suite bathroom, a laundry room, a toilet, a pantry, a walk-in wardrobe, a vestibule, and a hall. Upstairs there will be a master bedroom with 2 walk-in wardrobes and a generously designed bathroom with a sauna, 2 more rooms, a closet, a toilet, and a gallery. From the master bedroom and one room, you can enter **a large terrace**. **A swimming pool** is planned in the garden, and **a garage** will be part of the house.

The land is located within walking distance of the center of Slivenec with a kindergarten and elementary school, a post office, a library, and a bistro. There is a bus stop near the future house, from where you can get to a tram stop or the Anděl metro station. By car, it is possible to quickly connect to the Prague Ring Road. **Hiking and bike trails** pass through the area and lead to the **beautiful Radotínsko-Chuchelský Háj Nature Reserve.**

Total area 1,399 m².
