This newly renovated, bright apartment with a balcony is situated on the 1st floor of a recently finished residence, which was created through the complete reconstruction of a Neo-Renaissance villa from 1911 with Art Nouveau elements. The residence is located on a quiet street in a prestigious part of Prague 5, Malvazinky.

High-standard facilities include **quality oak floors**, LAUFEN designer sanitary ware, **new casement windows** with external insulated double-glazed panes, safety and fire replicas of the original entrance doors, and trendy interior doors. Heating is provided from the central boiler room in the building.

The residence is located in the monument zone of Smíchov, on U Nikolajky Street, which is lined on one side by elegant apartment buildings, and at the opposite end opens onto the traditional residential area of **Malvazinky** with many stylish villas from the 1930s and greenery. Within walking distance are **landscaped parks** or the picturesque, sensitively reconstructed historic **Nikolajka and Santoška homesteads**, which give the location a distinctive character. Nearby, you will find several popular restaurants, a kindergarten, a swimming pool, an ice rink, a post office, and a number of small shops. The Nový Smíchov shopping and entertainment center and the Anděl metro station are a 3-minute bus ride away from the stop that is only a short walk from the building.
