This new air-conditioned and fully furnished villa with a breathtaking view of the sea and the ancient town is located on the popular island of Krk, less than 500 meters from the beach.

The interior consists of an open concept living room, dining room and fully equipped kitchen, 3 bedrooms with en suite bathrooms, a **sauna** and a separate toilet. The ground floor is connected to a spacious terrace (80 m²) with an **infinity pool** and an outdoor shower. Outside, there is also a sunbathing area, a **place for barbecue**, an open-air dining area, and Mediterranean plants.

Only **top-quality materials**, equipment and furniture, were used in the construction. Floor-to-ceiling windows let in daylight and offer **impressive bay views**. The villa is air-conditioned and has underfloor heating.

The northern part of the Croatian Adriatic includes the **Kvarner Gulf** and several beautiful islands such as Cres, Krk, Lošinj, Pag and Rab.
