The layout consists of a room with an open plan kitchen, a bedroom, a bathroom (with a bathtub, toilet, sink, and connection for a washing machine), and an entrance hall.

Floors are wooden and tiled. The wooden skylights let in plenty of light. Doors are by Sapeli with M&T fittings. Heating is provided by a Baxi gas boiler; the apartment comes with a cellar. The elegant building has a modern elevator and modified common areas; the plan is to renovate the facade.
