Stylish 5-bedroom 2-bathroom town house with 62,5 m² of terraces offering wonderful panoramic views of the surrounding greenery. The intuitively designed interior provides an ideal space for family life. There is an open plan kitchen combined with dining space and living room with access to the terrace, 2 bedrooms with a terrace, shared bathroom and walk-in closet, master bedroom with an en-suite bathroom, closet and 2 terraces, guest bedroom, study, entertainment room suitable also for a gym with access to the garden and the garden terrace, laundry room and a double garage with extra storage space and heated driveway. Each room has terrace access. The house features wooden floors, alarm system, central vacuum cleaner and laundry chute. The interior gets sunlight most of the day thanks to the elevated position of the house on a western slope. The architectural concept closes off the house on the street side and opens it up into the garden and the surrounding greenery providing privacy. Parking for two more cars possible in front of the house. Within easy reach of the modern Anděl commercial center. Utilities CZK 6200 per
